Prayers for you, Linda and all your family as you go thru this time of grief. May the Lord wrap his comforting arms around each of you. I can picture Allan and Jerry up there tossing around stories about the particleboard plant and talking about the big one that got away.

Alan always came to see me several times when I visited Aunt Nardah. Always had a funny story to tell. Had a good heart a cane to my baptism. He told me he was baptized in the same place as I was. First Apostolic Church in Louisville. Many years before me 💕. I love him, will miss him, and will pray for all his loved ones left behind. 🙏
