“ *We are very sad to have lost Arlis. Throughout his illness, we have prayed for healing and we have prayed for strength and guidance for the family. The good Lord has called him home for healing, and we are continuing our prayers for strength and guidance for those still here.*

I won't forget the way he welcomed me into the family like I was always a part of it, cracking jokes and smacking me with the fly swatter. Every get family get together was fun around Arlis.

He also helped look after me and Caitlyn while Jamie was on a remote tour. We wish we could have come to visit more often, and we will miss you Dean Dean the butterbean until we meet again.
