“ *Although we did not get to see each other in person for years, I enjoyed and will miss our almost weekly telephone conversations. I've been sitting back since I heard the news reminiscing about all the good times. I especially remembered when we all visited Momma's on special occasions such as Odell's and Ozella's birthdays. We sat on the porch watching the kids run and play; giggling and laughing about old times. Odell would always make his special homemade ice cream, which was a special treat for all of us. I love and miss you, Angie*
