“ *My thoughts and prayers are for all Betty Ann's sweet Family. She was a treasure of a friend and I have fond memories of our days in Jackson after high school. She and I along with Emily Gregory and Shirley Whitehead shared an apartment in Jackson as we had become working girls in The big City. When she got a Facebook Page and we became FB friends I was delighted to see photos of her grown up children and the precious grandchildren. I told her she didn't look any older than when I last saw her years ago and she told me I needed glasses. May her precious life and your memories of your lives with her being comfort and joy in the days ahead. 🙏🙏*

“ *Ms. Betty was full of life and would brighten your day and made riding the bus fun and cared about her students on the bus. She always gave encouragement when you was down. I have been away for almost 30 years now but Ms. Betty helped to shape my life with her love and support while in school at Nanih Waiya. May God Bless her family and give them comfort during this difficult time. May the Lord hold each of you with his mighty hand and give unto you daily strength!*

“ *I have too many memories with Betty Ann to share just one. M. D. was one of my favorite classmates and Betty Ann was a lifelong friend. From our basketball days, to the buggy rides in the summer, nobody was more enjoyable to be with than Betty Ann. May God surround M. D., her children and her family with His love and comfort. She will be greatly missed by all who knew her, especially me.*
