“ *Oh my sweet sweet Bev!!!! As your nurse you drove me crazy and made me laugh all the same time!!! You made sure you always asked me for your coke and your bedtime snack because you knew when you couldn't decide I would give you both!!! You were sassy and sarcastic and I loved that about you! Every weekend I would call you my sunshine and the one time I called you sister sally you let me know real quick you liked sunshine better!!! I'm gonna miss our talks while I sit on your bed, I'm going to miss holding on to your drink when your Parkinson's was bad but most of all Bev... I'm gonna miss you!!! I won't be attending your service because you know I'll be at work but I'm so glad that you are reunited with your husband and your baby that I always heard so much about!!! So rest easy my sunshine! Until we meet again, you will hold a special place in my heart! Love you, Stephanie Lawrence*
