“ Oh Bobbie , I'm saddened but I know you will forever be missed! I enjoyed seeing your face, your smile , laughter and having your company when you would come to visit my mom , my sister , myself and your furry Yorkie friend Prince. You loved you some Prince and Prince loved you back as he would fall to the floor for you to rub his belly . You had such a kind, loving infectious spirit , and I know that everybody that came across your path felt the same way. Sending my condolences and prayers to your family in time of need to give comfort . Bobbie you have such a special place in my heart ❤️ I'm so glad that I've gotten a chance to fry you those chicken wings that you loved so much and my sister Stephanie made you that knitted blanket that you was so happy to get and mom loving you like a sister because you were family to us . You have been so good to our family , that it's a blessing to have those memorable moments , to forever appreciate what you and your husband has done for us ! May you live on forever and all those hearts of those you touched! I love you! From Kimberly DeShazer! 🥰

“ I’m definitely praying for the Bender and Haynes family. Sis. Bobbie was just like family. We spent a lot of times together especially in the summer time over at my god parents house the Hickmans. Which are her in laws. We spent time in the garden putting up corn and other vegetables for the winter time. Sis Bobbie was one that knew how to cut corn off the cob like a pro. She was one of the ones that taught me how to cut corn off the cob. She always said don’t you cut to deep in the cob now Lol 😂. Take your rest Sis. Bobbie we will see you in the morning.
