“ Sh was a very sweet lady that I come to know thru the church. Our Sunday School class adopted her to buy her things at Christmas. I volunteered to take her to the dr, pharmacist and to get her hair cut. I followed her to the nursing home and visited her often. My last visit was Sunday before she passed away on Tuesday. So very thankful I got to see her one last time. She was truly a very sweet and easy person to love. I will always love her and miss her dearly. Prayers to you and your family. Pam Colvin. “ Miss Dobbs was one of the best nurses I had the honor of working with. Her professionalism and kindness helped shaped me into the nurse I am today. May her memory be a blessing.

“ So very sorry to hear of this great lady's passing. She was a mentor to me as well as an example of what a nurse was supposed to be. Praying that our Lord will wrap each of you in His loving comfort now and in the days to come
