“ I came to know and love Carol when she and I both were going to an oncologist in Meridian several years ago. We would sometimes have an appointment on the same day, so we would visit together during the long wait we usually had. We were so saddened to hear of her death, and we will be praying for all of your family. May God give you the comfort that only He can give during this difficult time in your life. You may not remember us but we lived in Noxapater ,and Wayne pastored Noxapater Baptist and then Crystal Ridge and Singleton before we moved to Texas.
In Christ's love,
