“ I first met Charlye Sue many years ago on a cruise to London and the Baltic area. She was a delightful roommate and became a treasured friend. I enjoyed visits to Noxapater and Sanibel. I will miss her.

Dear Ed and Roy, we are deeply sorry for your loss and it breaks our heart not to be able to give you a big hug in person. We love you so so much and our hearts are always with you. “ Sadly, I never met Charley Sue, although I am aware of how very loved she was, and I have an appreciation for how many hearts she touched, and the multitude of kind words she shared. I am grateful and blessed to know Edgar and Roy though. Your love and devotion to this wonderful woman is testament to her character, heart and charm. You both are in our prayers, in our thoughts, and in our hearts. With love, Sue Bissonnette

“ This lady never met you without a smile. When she moved to Florida she was missed but we kept up with her through word of mouth and Facebook. So glad she had her loving son with her. RIP
