“ *I just learned of Clark's passing. He was a good friend and will be missed. I went to high school with Clark and he was truly a BMOC. I remember the daily drama of Clark and Barbara. I struggle with the knowledge that both are gone from this world now but rejoice knowing they are in a better place. Praise God. My favorite memory of Wormy was the night he literally drove into Roger Dale's house on Ball Drive. I will always smile when I think of him. My condolences Joe and Kathy and all the nieces. There will never be another Wormy.*

“ Clark was a very delightful, fun and likable fellow and a great friend. I am very sorry to hear of his passing.

It was so much fun growing up, playing football at W. A., hunting and fishing with him. I am grateful I had the pleasure of being his friend and getting to know the entire Hodge Family.

God Bless,

“ *I am so sorry to hear about Clark. He was loved by so so many people. I went to school with him, but did not get to know him until a few years ago. He lived with my brother, David Clark. They had a ball together, fun times, laughs, jokes, and it was amazing the fun that they had along with all their friends together!!! RIP Clark, as you will be missed. Praying for the family,*

Sincerely,

Kim Clark Bridges
