“ *I married into the family fourteen years ago and have been extremely blessed to call this wonderful man "Uncle Danny." He was himself every time we saw or talked to him. Nothing fake at all. There will never ever be another like him. He will continue to live through the lives of his children and his grandchildren. What an amazing legacy he left behind. Thank you Uncle Danny for the love, compassion, and acceptance you showed to me and my family. You will be missed but will forever be in our hearts. Fly High. We love you. ~ TerriLynn Phillips*
