David was a great historian. I always enjoyed his stories on the history of lake forest ranch, sawmill, coon hunting, gardening, checking deer stands, and many other things. What a fine Christian man and a great influence on my life. Dickie Gibbs

David was my 1st Cousin on my mother's side. I don't think I ever met him? But I heard stories about him all my life. I know how great his father was & I know he must have been as well. My mother was Uncle Arch's baby sister. David's father was my mother's favorite sibling. God's Blessing to the family. Jimmy/Jane Clemmons, Battlefield, MO
