“ *David had such a kind spirit. Being the youngest brother of my dear friend Martha, I saw a lot of David growing up. My sympathy goes out to his wife, Brenda and the rest of his family. .*

“ *We wish we could be with Brenda, James, B. J., family and friends for today's services of our much beloved David. Uncle David was a quiet, soft spoken, respected rock of a man that many throughout his years counted on without fail. I will always cherish my memories like the rides to town with him in the '40 Ford and the '68 Torino, his visit to Michigan, his wedding, and his return home to Mississippi. Most of all we will miss how he cared for his family, friends and community. God Bless.*

“ My Uncle David was a kind and gentle soul. Since David stayed to care for his mother, I would get to see him each year during Dad's annual family pilgrimage home. I looked forward to seeing Grandma Jowers for her cooking and Uncle David for his company. He was a bit younger than the other relatives I came to know and therefore I felt a special kinship with him. The fishing trips, games of checkers and eating watermelon out on the carport (where I could spit the seeds out on the lawn) are special memories that I will always keep with me.

After his mother passed, our family trips to Mississippi became less frequent and David forged his own life in Missouri with his bride Brenda. At that point we kind of lost touch with each other. I was very excited when I heard of his return to Mississippi as I was hoping to get to know him again when I came to visit my folks. The first time I saw him after his return, we each had a little snow on the roof, but it was the same Uncle David that I had known years before.

I will always value the time that we had together these past few years but find, however, that it was not enough, as I feel a great emptiness with his passing. I miss him dearly but am comforted in knowing he is now held in Jesus' caring arms.

All my love to Brenda and family.

“ David and I were classmates through our 12 years at Nanih Waiya School. He was a good friend and had quiet personality with a big smile. I last saw David at our class reunion. As usual, A good time was had by all.

“ I did not know brother David before the tornado destroyed our church in 2014.(Still Valley M. B.Church). But when we asked for volunteers to help us rebuild David and his wonderful wife Brenda showed up. We worked every Thursday night and Saturdays. I Can't think of one single work day that they were not there. Both were such a joy to be around. They both worked so tirelessly that they would be the last ones to stop for the day. When we dedicated the building they were among the first to arrive.

Recently when we started the next phase of rebuilding he stopped by for a visit and to say he wished he was able to help. Mrs. Brenda he did help ! On that Saturday we were all tired and done for the day buy when y"all walked in it lifted all our spirits and blessed us once again..David and you Mrs. Brenda has truly blessed our entire congregation and will always be in our thoughts and prayers.We pray that God will grant you comfort and peace at this most difficult time.
