“ *aunt deanie you were such a wonderful person. the sweetest aunt i ever had. you made me my receiving blanket for my baby when i was pregnant and i kept it as a keepsake all these years. i finally gave it to my daughter daphne for her two daughters when she was pregnant. she was so grateful for it and it is just as beautiful as the day you gave it to me 37 years ago. you had 3 beautiful daughters lana, lisa, and sam and all those beautiful grandchildren. we all will be forever grateful of the memories we have of you and uncle sammy. we will all miss you and we look forward to seeing you soon in the resurrection that GOD has promised us. i know you are getting some much needed rest now and you are peaceful. we surround you with love, kindness, and peace. love to all of my cousins and i will always be here for you. all of you are in my thoughts and prayers and i stand by to listen to console you and love you and letting you know please call me day or night. love and peace to all of you.*
