“ Deby was loved and will be so missed by all of her friends and family in Texas. I already miss her laughter. And that smile was beautiful. Prayers for The family to lean on each other's and to give it to God to help them. Rick so many love you too.

“ Deby was and always will be the strength of her family. She took care of all of them her whole life. I know she has been rewarded with God.
Never will I forget our good times together at the Boardwalk, listening to the music we love. Go with God and watch over your son from above, shine bright so we know you are there always. You will be missed 😭 but, we know you are with your loved ones. Life surprises all of us; some for the goodness, some for the sadness. We will love you forever. You have been a true friend 😊 Rest In Peace my friend ❤️

“ Deby was one of my best students. I was her supervisor when she was getting her teacher certification. She was so dedicated and serious about teaching. After I retired from the university, I started subbing at Creekside, and subbed for Deby. What good memories I have of her. I am sincerely saddened to hear of her passing. My thoughts are with all of her family and friends. Mary Lou Dodson
