“ *Donna was always like a sister to me when I was growing up. I loved hanging out at their house, and swimming together in the summertime. We had lots of good times. So sad to hear of her passing. Sending love and prayers for the family!*

“ *My best memory of aunt Donna was when I was little. I would always go see her when I would go visit my grandma. I know this may sound weird but she fix me my very first bologna and onion sandwich. She was always so sweet and kind to me. Will always love her. Praying for all of you and your family.*
