“ *My Mother was a strong, determined woman. She was never one to sit idly by and watch anyone suffer. She was a problem solver, a fixer, and a loving woman. She made friends everywhere she went, and she made people smile. We will all miss her very much. I know she's happy again, and pain free, and with the one person who made life worthwhile for her. We love you, Mom. And we love you, Bill. May you rejoice in the lord together, and we all see you again.*

“ Dear Sis (Suzanne), Dorothy, Cynthia and family,
I am very sorry for your loss and as always, you all are in my prayers and heart. Sis I am so proud of you for the time you had cared for your Momma and Bill over the years and for the time Dorothy spent looking after them too. It wasn't always an easy thing to accomplish and yet you never gave up, you all just kept doing the best for them you could. They are both together now living with no pain. I am certain that both of them know how much love and care was done for them while they were here and now they are singing your praises in heaven! May God Bless You All and give you peace of heart, mind, body and soul. Sis I love you with all my heart and know I always will. Continued prayers, love and hugs are sent to you and the family. RIP Momma Dorothy and Bill.
