“ Stephanie & family, I am so sorry for your loss of your dear loved one. I pray that God will see you all through this most trying time. I got the privilege of knowing Douglas the day you and Bumper married and I knew from that very day that he was a good man and a very special "daddy". You were so truly blessed to have such a wonderful dad in your life for all these years. Even though he is no longer visible to you and your family he is and will always be right beside you each and every day in all that you do. I pray that God will help ease your pain and always know that I will always be here for you and your sweet family ! Much Love to you all !
