“ *My mawmaw was the best mawmaw anyone could ever have. She always made sure we had and we were good! She put all of our needs before her own. She was always there to listen to us, or even scold us if we were wrong. She was my best friend, my rock, my heart, soul, and my everything. To know her honestly was to love her! She was funny. Simple. She loved her family! So glad i was able to give to her needs and make sure she was good before she left us. When she got sick it broke me seeing her like that, so when she was called home i knew she was happy, even tho my heart will never be ready. I love you mawmaw and not a day goes by i don't miss you!! I love you, FOREVER.*
