“ *We were so sorry to hear of your Mother passing. She was a very gracious, and friendly lady. When we moved to Louisville from Chicago, I will never forget how kind your parents were to us. She always had a smile and asked how you were. My parents moved to Starkville after the tornado and we did not find out until recently. Our thoughts and prayers are with you.*

“ So sorry to hear about your loss. I'm sure that Mr. Harold was overjoyed to see her. Who ever Jesus had making chocolate pies will have to move over and give her the spoon! Mr. Harold Mrs. Fannie helped me get through school and both were an inspiration to me through the years. You are in our thoughts and prayers. Pam & Renea

I am so sorry to see Fannie has gone on to be with the Lord. My husband and I dropped in on her a couple of times over the last years. It was obvious her memory was failing but still the same warm welcome I always received from your mom. As we are up on fathers day and the passing of your first mothers day without her I send you especially warm greetings to show their kindness will never be forgotten. Carolyn Bouchard Mahoney
