“ *Hello to Lamar's family. My name is Wallace Killcreas, and I live in Starkville. I share your grief over the loss of Lamar. For more than 10 years, Lamar worked with me and for me, providing guidance and hard work on roofs, decks, and construction expertise on houses. During that time, I found Lamar to be a good friend, a person of great knowledge and Wisdom. Lamar wasn't afraid to tackle anything! He usually knew how to do things correctly, and insisted that they were done right. I had several problems that other builders had done wrong in the past. In each case, Lamar found a way to straighten them out. I will be forever in his debt. Lamar also had a witty side to him, and could tell great jokes nonstop. I believe that we will all miss Lamar. Wallace*
