“ Randall and I pitched many a baseball in his front yard and shagged many fly balls in the front yard of Union Ridge Baptist in the early to mid 1960s. Lots of great memories from those days. I am so glad that on May 8th of this year, we reconnected in a 30+ minute telephone call and relived some of those memories. My thoughts and prayers continue to be with the family.

Great memories from many years ago. He let me drive his big John Deere tractor when I was about 12-13 thought I was something, it even had 8 track player on it. Made many trips to deer camp in Noxubee County and also rode Amphicat to swamp many times. He was always good to me. Prayers for family!

“ Kathy, Hannah, and all of your family, Ruthie and I are so sad from the passing of Randall... I had been praying for him for a long time.... He was one of the most wonderful, kind, and respectful men I have ever known.... We grew up together, went to Sunday School and Church together at Union Ridge.... And played little league baseball together when Dear Billy Keith put the team together and coached it.... Remember so well all of us boys riding in the back of Mr. Hub's pickup to travel to Louisville to play... And we will never forget the kindness all of you showed us when my Dad died.... And that great hamburger cookout at Hannah's in the home my sister and I grew up in.... Hubert Randall Johnson was a great guy, and I know you guys will miss him so much... But you can take great comfort knowing all of you will be reunited in our Heavenly Home.... May God Bless all of you, and we will be praying for all of you...R. Wayne and Helen Ruthie Farish.... Tulsa, OK...

Our hearts and prayers are with this special family in the loss of their devoted husband, daddy and granddaddy. He was a good friend and a man of many talents, but none more admirable than the obvious love and pride he had for Kathy, his children and his grandchildren. May God bless and comfort each of you as our prayer. Jerry and Ilene Estes
