“ My family felt like Inez was our aunt too through my sister-in-law. She would come every Thanksgiving and make her famous ambrosia salad. She also helped us make Christmas decorations. Inez was a true Southern Belle and we will miss her AND her Souther draw!!

“ Aunt Izzy, Your departure has left a gaping hole in our family circle that cannot be replaced. We will do our best to join hands and hold onto one another as we journey towards home. You were an incredible force in every family activity ensuring each one was welcomed and loved, every table had your special touch and we could always count on your direction to keep us in line. You were a great example of a mother's love for her children. Love, JanaReed

“ Aunt Inez. You have always been so beautiful loving and professional. We have laughed with you and laughed at you so many times over the years. You were our family’s Carol Burnett, although way prettier. Ive never seen a more committed Mother after her boys. Ever. You were one of the hardest working and hardest loving people we have ever seen. See you in Glory Lovely Lady. Hallelujah !!! Always. Paul
