“ *Isaiah was my best friend and the only person I could truly be myself around all of my 6th grade year. I loved him more than words can say and I still do. I talk to him pretty often, because I know he is always listening. He always did listen.*

“ I had the pleasure of teaching Isaiah in first grade. He was an excellent student and I'm thankful to have been apart of his short life. I am praying for little Alicia, Miguel, and Diego. You are all in my thoughts and prayers.
