“ Jack and I spent lots of time growing up together making memories! He never let anything stop him from succeeding with what he wanted to accomplish. He always had the biggest laugh and cheered up those around him!

Jack would often ride his horse, Flicker, five miles to my house to visit.

Often times when Jack was not home, Mr. Davis always knew he could find him at our house. Jack was a loyal and true friend to those who knew and loved him! Jack will always remain in my heart!

The cart in the photo was built by Jack and I, the wheels are from daddy's old horse drawn hay rake and old boards from our barn.
