“ *I remember once when Genna was a little girl and you two stopped by the farm while out on the road truck driving. How large Genna's eyes were to see that large Semi drive up to the Cook farm. Jim offered her a look see inside the cab. Showing her were he sleeps at night. She quickly climbed in and laid down on that bed. How cool was that a bed in the truck. Next came the surprise of her young life when Jim with his great big smile and a little laugh offered her a ride in that bigger than life truck. She quickly said yes and off they went down the Iowa country roads. They went on down past corn fields and soybeans for a country ride. What a view from so high up. Jim let her blow the horn as they bounced down the road. Such a small thing made a little girl so happy.*

Another time I remember Jim finding me a canvas stretcher tool. That tool was so handy for making the canvas so tight to the frame. He was so interested in helping people with their interest. He enjoyed my paintings, so full of encouraging words and wanted to help wherever he could.

I always knew Jim to be more than generous with the people he meet and the family he loved. So glad to have had him a part of our family. You will be greatly missed. Jim may you find peace in the hands of the Lord.

“ *Charlotte, I am praying for you. It makes my heart ache not being able to be at the funeral for Jim and help you anyway I could. I had complete knee replacement in March. Have had some complications which has set back my recovery. It is very painful to do much traveling of any kind. Still going to PT and seeing Surgeon . Wish you were closer so I could be with you. You are being prayed for by St. Joseph community. Will be in-touch with you in the coming days.*

*All my Love, God Bless
your Sister Shirley*
