“ I am a long-termer at St. Dominic Hospital and was fortunate to have worked with Janet in "the old days." She was the sweetest most pleasant person one could ever hope to meet. She had absolutely the most precious way about her. She was here a year or so ago with her grandmother and I learned of her cancer at that time. I am so sorry that it took her life at such a young age. I know she is now with Jesus and the company of angels. You have my deepest sympathy. -Deb Hudson
