“ Sorry to hear about Culetta passing away. She was a trip back in the day. I first met her in the National Guard. She was one of few females in the unit at the time in the early to mid 80's. She was great then and I am sure she was before her passing. Praying for her family.

“ *My condolences to all the family. It is so difficult to have a loved one pass on ahead, but we too will also do the same soon, maybe too soon.*

*May we all be ready, by the grace of our Lord Jesus that tells us in Romans 10:9-10 and John 3:16 that we can have eternal life after this life we now live. May our God give you a special peace and great hope at this time.*

“ No where to start first with the memories. There's so many! She's my oldest sibling and was like a 2nd Mom. She loved everyone that crossed her path. Such an awesome person. She always told me how much she loved and appreciated me being her sister, Even saying she was honored to be my sister ❤️ silly sister! I can't imagine my days without her in them and knowing that she was just 5 minutes away if I needed her or she needed me. I did my best to always be there for her. She wouldn't ask me for anything unless it was her last choice. She knew I would help her but she didn't want to ask 💔 I love her dearly and she will always be missed and always in my heart. I'm happy I had her for a big sis and I will always hear in my mind her saying " I love you very very much baby! I love you very, very much Jean!!
