“ *First I would like to offer your family my condolences. You Always got my order right and my family to when we came through. So sad see young man pass. At times like this, the loss of a loved one is doubtlessly great: however, the Bible goes beyond acknowledging the grief that families experience. It indicates how God gives strength to those who are grieving. He supplies strength to those who mourn, and gives courage to continue living. Notice the comfort God gives at (Isaiah 41:13) For I, Jehovah your God, am grasping your right hand, The One saying to you, Do not be afraid. I will help you.*
