“ *Very sorry to hear of John's passing. I had just saw him and worked with him the week prior. I work for a company on the east coast that services the equipment that John uses at his job. It was always good to see him and his friendly personality every 6 months when I visited. I have recently lost my son at age 16 and was just talking with John, sharing our grief as we had both recently experienced a loss of a loved one . He always talked highly of his children and family every time I saw him. May you all find peace in the memory of a great person. Rest in peace John.*
