“ *As a child I loved going to visit Aunt Johnnie, on week ends. She lived in meridan, which was huge compared to little louisville, these trips with my sweet Aunt Bessie and Uncle Coy, was my first time out of louisville, We'd always get to go see Todd at work, Q101 radio station, if I remember correctly! I thought this was the coolest thing ever!! Such sweet good memories, some of the best from my childhood!! I'm truly heart broken to get this news!! Becky Goodin*

“ Todd,

So sorry for your loss. Your mother was always so kind to us teenage boys as we grew up. I have many fond memories of our times at your house. May God give you peace.

“ Thank you, Todd, for allowing us to be a part of Ms. Johnnie's life. We enjoyed her wit, her company, her game show challenges and the love she had for Spike. Martha and I were more than blessed to be a part of this lady's life!
