“ *I wasn't close to Taylor in high school, but in later years I never saw him that he didn't stop and talk and smile that beautiful smile. We never know the pain that life will hold for us, but we do know that God can wipe all of it away with his overwhelming grace that covers us all. God bless his family!! And know that he is smiling as God holds him in his big arms. Much peace and more love to your family.*
