“ *Mr. Larry was a great guy and even better outdoors-man and conservation officer. I got the opportunity to meet him when he was the manager of Nanih Waiya WMA and boy was he very proud of that place. My father and I almost left disappointed (we didnt have an ATV to access the whole WMA) when we went to check out the place on our way home from a different hunting spot, but Mr. Larry along with Mr. Bob and Mr. Asa gave and the grand tour and showed us every inch of the management area. We really liked the place and his hospitality and we have been hunting there for about 8 years straight now. Greatest condolences goes out to his family. Sorry for the loss of this great man. Sincerely "The Biloxi Boys"*

“ Larry was a great man with high moral standards. We learned a lot about each other siting in a boat crappie fishing. We enjoyed our fish dinners at the "Burt" farm.

“ Judy & my thoughts & prayers are with y'all. Larry was a great man & a very humble soul!!! I know in my heart that heaven became a much sweeter place when Larry arrived! Larry always had time to sit & talk with me whether it was about hunting, fishing or about my red deer that I raise. I remember like it was yesterday sitting on his front porch & talking with him for about an hour & half. We talked so much about everything but each subject always came back to his kids, grandchildren & greats & how proud he was of them! I will truely miss him myself but what a honor it is to be able to call him a true friend!!!!
