“ We are so saddened by the passing of Margaret. She was a joy and encouragement in our lives, and her legacy will continue in her grandchildren and great grandchildren whom she loved so well. Our yard is proof of her generosity as we think of her every time the amaryllis bulbs she gave us bloom each May. Our prayers are with you as you grieve, Lisa and James Bratton

“ I was saddened to hear that Margaret passed. (We lost Daddy (James Kitchens) in 2019.) She was a jolly and down to earth person. I will never forget the fun times that we had at her house, playing with Douglas, Danny, and Donald. Praying for you as you go through these trying times.
