“ Mike, Jeanne, Brenda and John and Family - I am so sorry for your loss of Michelle. She was a great friend and she will missed by so many. One of my treasure memory of Michelle we had talked one night before she got breast cancer and she was missing her Mom so bad that night and I remember calling her on the way to work the next morning to make sure she was okay because I was really concerned with the way we hung up from talking. She said I can't believe you called to check on me - I have not had a friend to do that and have a sleepless night worrying about me. She said "I love you" and we may not be blood related but your my sister. I have never forgotten that and I was so glad I did call because she needed to know someone loved and cared about her. She was funny and we could laugh a lot about so many different things and be silly ect. She was a very honest in telling you how she felt as well. My prayers are with you all and I know God will wrap his arms around each of you and help you through this difficult time. Mike, Brenda - I know Jeanne and John will be there for you both. Please let them comfort you. She fought a battle but now she is at peace and she has no more pain and she is in heaven with her angel wings walking on the golden road. Much love to each of you.

Love Always
