“ *Miss Odine, Just wanted to let you know that i am thinking of you and you are in my prayers. You know that mom always considered your mom a second mom, and i wish i could remember all the details of the stories she told. Wish i could go back with a recorder or something.. I always look when i pass by Miss Florences to see if your vehicle is there. I love you because my mom loved you. You are in thoughts and prayers.
