“ *To the Dempsey family:*

Bruce was always chipper every time you saw him, if you were down he would manage to bring you up again. you will always be missed, we lost a good man but Heaven gained and Angel....R.I.P Bruce Dempsey. Thank you for treating my daughter like she was your own.

“ *While I am not really a sister, Bruce always was like a little brother to all of my family. We all grew up together and our parents were best friends. I will always remember his smile and making spaghetti for him when he was a child. Losing him was just the same as losing a brother. We love each and every one of his family. He will be missed dearly.*

“ *April - you are on my mind. So sorry to hear of your loss. Life just sometimes doesn't seem fair, but remember there is a 'bigger' plan for all of us. I love you and miss you and wish I could have been there for you.*
