“ *Milton and I are so saddened by the passing of our dear brother, Jimmie. We have very fond and loving memories of him. Our deepest sympathy to Ms Eva, the children, and grandchildren/great grandchildren. We would love to attend the memorial service but are unable to do so because of distance and disability. Milton has mentioned to me several times over the years how he lived with Jimmie and Eva and made crops with him and how close they became to one another during those times.....that has been over 60 years ago. Our promise of "life eternal" gives all of us comfort at this time. Love to all, Milton and Stella & Family.*

“ Our deepest heartfelt sympathy to all of you. Yesterday as we learned of my brother's passing our hearts were grieved and broken. At the same time we felt relief knowing God had freed Jimmie from all pain and suffering. Many memorable moments, and events of Jimmie are etched in our minds forever. One of our favorites was his laughs. Unfortunately jobs and timing prevents us from being present in body with you all for the service and burial, but please know we are with you in spirit. You will all continue to be in our thoughts and prayers daily.
May God be your portion of strength during this time.

Love and Prayers,
Dave & Joyce Fettrow
(Sister & brother-in-law)

“ Merle and I express our sincere sympathy to each of you. I always looked up to my brother, Jimmie and felt secure whenever I was around him. I often think of when I would come and stay a week at a time to help drop soda in his crops. I always enjoyed working and being with Jimmie. Each Oct. when we would travel to Ms for our yearly visit with mom Merle would spend lots of time with Jimmie. He so enjoyed their trip down to Macon and Col. in his blue truck. They shared many laughs and conversations along lifes way.

We will forever love you, Jimmie

Merle and Lillie
