“ *Truly, Mr. Boydston was one of my favorite people. While working at WLSM, he was one of our advertisers. I always looked forward to the times I would call on him at Coleen's Building Supply. We would always manage to get the information for his ads but not before having a fun, heart-warming chat...we could carry on a lot of "stuff" with the best of them. One of our favorite times would be when I would go by and there was a building supply salesman there--we could always concoct a preposterous story about something and leave the salesman standing with his mouth open.*

*Please accept my deepest condolences. I shall keep you in my prayers that God will give you His Peace and Comfort...God Bless!*
