“ *I actually dated Mrs. Doris' grandson Shane, many years ago. Shane used to take me to Louisville to his grandmothers house. We'd stay the weekend. We'd at their lake, hunt, & every morning & night Mrs. Doris always cooked the best food. Shane loved that woman dearly & once I met her, I understood why. I miss Shane dearly & still think of him quite often, but I know he's at peace in Heaven now since he's got Mrs. Doris with him.*
