“ *Dear Family,
I was Anita's next door neighbor for many years in West Monroe. She was a beautiful person inside and out. She always had a smile on her face, and Anita's smile could light up a room. I will miss her very much. I will remember Anita as a kind and loving friend. Anita loved to fish and spend time with her animals, but she also loved her family. She talked about you often. I will keep you in my prayers.*

“ *I worked with Anita several years ago at State Farm. She always had a smile on her face and an uplifting spirit. We ran into each other again here in Calhoun. Even after all these years she still had the same joyful spirit and friendly smile. She will be truly missed.*

“ *Anita was so special to my life. She was the person I could tell everything too & no judgements were ever made. I cannot think of a time where she mistreated anyone. God surprised us that day when He took her, but somehow we have to remember it was for a reason. I miss you Anita.*
