“ *I am so sorry to hear of Terri's passing away. Emily, Caroline, and I had attempted to see our "Re" each time we were in Mississippi. She cared deeply for her family. She adored her nieces, nephews, and godchildren. Terri touched more lives than you can ever imagine through her work with special olympics, severe and profoundly handicapped children, preschool special education children and as a Positive Behavior Intervention Coordinator. She was one of the best friends I ever had. I was honored when she accepted becoming a godmother to my child. You can be very proud of her accomplishments. Her light will always shine on.*
