“ *Paul called me a few months back. We discussed some business. But I enjoyed just visiting with him. I told him I had grown up with Tony his brother. I talk to and get to know a lot of people. Paul Palmer was a very kind man and a warm individual. He said he would come to town soon and meet and handle his business. I am very sorry that time was cut short by his passing. He had something very special inside. I could feel it the way he talked with me over the phone . My thoughts and prayers go out to friends and family of Paul Palmer. Paul Halfacre*
