“ *Scarlet and I were in only one class together. It was obvious to all that she had been called by God into the ministry. Since we had several friends in common, I was privileged to see her from time to time. The world is now a sadder place without her. My churches have been praying for her. We will pray for her family.*

“ I have known Scarlet since she was a child growing up in the Flower Ridge Community. I know she has already earned her angel wings in Heaven and is presently looking over all of us.

Scarlet was a wonderful and inspirational pastor. I came away from all her sermons feeling God's love all around me. I shall miss you so much and hope you know how much you meant to me and everyone's life that you touched. Still, it is sad to know that I will not see your smiling face when I come home. You are so loved and will be greatly missed!!!!

I love You,
