“ *I was so very sadden to hear that Robbie had passed away. As a small boy he had the most adventurous spirit. Even though he was almost 10 years younger than I, I knew that when he was around there would be lots of laughs.*

“ It saddens me terribly in the loss of Robbie. He's been a very good friend to me in all these years. We met at WCCH in 1974, becoming friends quickly; the years to follow, our friendship became even stronger. I'm blessed to have had him as a good friend. I will miss being able to see him when I go back Louisville, as he always made time to visit with me when I was there. I thank the Lord for his friendship.

“ Robbie was such a special person and a good friend who will be missed.
He's having quite a reunion now with family and friends who went before.
What a blessing to have known his friendship.
See you again one day Robbie.
