“ *To the Odie Massey family....so sorry for your loss. Odie was a special friend when we were classmates at LBS. I haven't seen him in a long time yet I remember his lopsided smile and the outrageous stories he told, but then they had really happened. He kept us in stitches.....he will be truly missed. Sympathy goes his precious family and I lift you up in prayer to give you strength and endurance to go through the days ahead without Odie .
Sincerely one of his classmates,
