“ Stephanie was a very special lady, and quite popular with everyone who knew her. Life around Baptist hospital won't be the same without her.

Just rest assured that she is no longer in pain. She is in Heaven as one of God's angels watching down on her family for now and always.

“ I'm am without words on this senseless loss of such a beautiful, sweet girl, or should I say woman, I knew Stefanie when my daughter Paige was in school at Nanih Waiya. She was always bright and full of life with a smile always on her face. She always made a point of speaking to me and she was just a sweet, sweet girl who has left us way too soon. May God be with you and help you through this unthinkable time. I will pray for you and your family and know that she loved her family and friends with a passion. She is a bright light gone on to light up the Heavens.
