“ *I am so sorry to hear about Susan. I have known her all my life. Our parents were friends so I knew all her family growing up. As luck would have it, her husband and my husband are 1st cousins. So I also had the pleasure of calling her family as an adult. She had a compassionate and loving heart that will not only be missed by family but by friends as well. We will miss her earthly presence but we know she is flying high with angels.*

Susan was such a lovely person and so full of life, which makes it hard to comprehend her death.
