*Tim and I were very close for almost 10 yrs.
I'd met his family in Mississippi and also later in Houston during his
initial heart surgery. I stayed by his side in his hospital room
overlooking Herman Park. We'd hd picnic lunches in tht park during my
cancer treatments in the medical center.
Tim ws a steadfast presence in my
Life and I in his. His mind ws always
Working. Inventing ideas for things.
Many which he patented. He hd many colorful stories tht detailed his
Life and he enjoyed sharing them.
I wsnt contacted when he passed. Tried reaching him thru an attorney
of his in Houston and thru his daughter but hd no response.
Tim ws an original.
May his memory be a blessing
For all who knew him....*
