“ *Toby was my security supervisor for many years. He was the best Supervisor I ever had. He always came in with a smile on his face and Said "Good Morning Buddy". I had tons of respect for him. I could always talk to him about anything. He was a type of man that leaves a good impression on you. The one thing we both had in common is our love for MS State Bulldogs. I will deeply miss him*

*To the Wilson Family:
I am so sorry for your loss. Know that you are in my thoughts and prayers.*

“ Toby was always a special friend to my family. He and I spent many weeks and weekends on the softball fields and shared some incredible times. He was always fair, honest, and receptive to all he met. He was a special person that God places in your life to lift you up and know there are people that really care about mankind.

Toby was always there for me growing up. I was younger, but he always had a helping hand for anyone. I loved him so much, he was always like a big bear, comforting and huggable. I did not know his wife and children, but I never saw him that he did not have a hug for me. His mama and daddy were a big part of Kemper Co. and DeKalb and so was he and his family. I am sure he will be missed by those who were close to him. My thoughts and prayers are with you all.

My thoughts and prayers are with the family. I was raised up in DeKalb with Toby and his three sisters. He had a wonderful mom and dad and we all have so many good memories of when we were young. May God bless each family member.*

I worked with Toby at parking for the MSU football games for many years. Once working with Toby i found out that he was the umpire for many of my younger brothers baseball games when he was in high school and at East MS. Toby always had a smile when you met him. I'm sure that He will be umping many games in heaven. My prayers to the family and friends of Toby. You will be missed.
